Order No. **443-1015**

Item/Model **SARO Hot dog Cooker / Warmer
model HW 1**

GTIN **4017337035748**

Safety and Warning Instructions

- Place the device only on a stable, level, and non-slip surface.
- Ensure the mains voltage matches the specifications on the nameplate.
- Children and unauthorized persons must not operate or be unsupervised near the device.
- During operation, the glass container and other components can become very hot – risk of burns. Use suitable protective gloves.
- Do not clean the device with a water jet or immerse it in liquids to avoid short circuits and electric shock.
- Always switch off, unplug, and allow the device to cool completely before cleaning, maintenance, or extended non-use.
- The water steam container must always have sufficient water during operation to prevent damage to the device.
- Immediately discontinue use if visible damage or malfunctions occur, and contact qualified personnel.
- Repairs must only be performed by qualified personnel using original spare parts.
- Attachments (lid, trays, glass container, perforated plate, water tray) are not dishwasher-safe and should only be cleaned with warm soapy water.
- Ensure no liquid enters the housing.
- The device is designed exclusively for heating and keeping hot dog sausages warm. Any other use may cause damage and compromise safety.
- Dispose of packaging materials like plastic bags and Styrofoam safely and out of children's reach to prevent choking hazards.
- The setup location should be well-ventilated to avoid overheating or steam buildup.
- Do not operate the device outdoors or in rainy conditions to prevent damage and electrical hazards.
