## SAFETY & WARNING INSTRUCTIONS

Order No. 443-2102

Item/Model SARO Milkshake Mixer Double  
model SOTUS 2

GTIN 4017337071838

### Safety and Warning Instructions

- Place the device only on a stable, level, and non-slip surface.
- Installation and repairs must only be performed by a qualified technician. Do not remove any components of the device without authorization.
- Children and unauthorized persons must not operate or be unsupervised near the device.
- **During operation, there is a risk of injury from the rotating stirrers – do not insert hands or objects into the mixing cup while the device is running.**
- Never clean the device with a water jet or immerse it in liquids, as this poses a risk of short circuits and electric shock.
- Always switch off, unplug, and allow the device to cool completely before cleaning, maintenance, or extended non-use.
- The device is intended exclusively for mixing beverages. Any other use may cause damage and compromise safety.
- Do not use damaged or loose stirrers. Replace damaged parts before using the device.
- **Milk can double in volume during mixing – fill the cup accordingly to avoid overflow.**
- Dispose of packaging materials safely, as they may pose a choking hazard.
- The device is designed for commercial use and is not suitable for outdoor or wet environments.
- The mixing cup is not dishwasher-safe and should be cleaned with warm, soapy water.
- Repairs must only be carried out by qualified personnel using original spare parts.
- Regularly inspect the power cord for damage. A damaged cord must not be used and should be replaced by a professional.
- Do not leave the device unattended during operation.
- Immediately discontinue use if visible damage or malfunctions occur and contact qualified personnel.
- Use the device in accordance with the instructions in the user manual to ensure safe and efficient operation.
