SAFETY & WARNING INSTRUCTIONS

Order No. 172-3012

Item/Model SARO Bain Marie
model BM 210

GTIN 4017337172412

Safety and Warning Instructions

- Clean the device with warm water and a mild detergent before first use and dry all surfaces.
- Place the device only on a stable, dry, and non-slip surface.
- Ensure that the power supply matches the specifications on the nameplate.
- Fill the device only with the specified amount of water (at least 2.5 cm, maximum 5 cm).
- Use only GN containers with a maximum depth of 200 mm.
- **During operation, the surfaces of the device may become hot – exercise caution to avoid burns.**
- Do not use the device outdoors or in damp environments to avoid short circuits or damage.
- Never use adapters or extension cords.
- In case of a malfunction, disconnect the device from the power supply and notify the authorized dealer.
- Before cleaning, unplug the device and allow it to cool completely.
- Do not use metal sponges or abrasive cleaning agents to avoid damage.
- Use the device only for keeping food warm; misuse may cause damage.
- Keep children and unauthorized persons away from the device.
- In case of damage to the power cable or the device, immediately stop operation and contact professional personnel.
