## SAFETY & WARNING INSTRUCTIONS

Order No. 421-2500

Item/Model SARO Bainmarie 2 x 1/4 and 2 x 1/6 with pump head  
model BM-0214

GTIN 4017337055920

### Safety and Warning Instructions

- Place the device exclusively on a stable, level, and non-slip surface.
- Before first use, ensure that the mains voltage matches the specifications on the rating plate.
- Children and unauthorized persons must not operate the device or remain unsupervised nearby.
- **During operation, the device's surfaces can become very hot—risk of burns. Touch surfaces with caution.**
- Never clean the device with a water jet or immerse it in liquids to avoid the risk of short circuits and electric shock.
- Always switch off the device, unplug it from the power supply, and allow it to cool completely before cleaning, maintenance, or extended periods of non-use.
- Do not operate the device near gas stoves, electric heaters, or ovens.
- Never use the device without water in the heating tank to avoid damage from dry heating.
- Only use water and citric acid to descale the device. Chemical descaling agents may cause damage and void the warranty.
- Do not fill the water tank with hot water.
- Ensure that the power cable does not come into contact with hot surfaces.
- The device is intended exclusively for heating sauces or similar products. Any other use may cause damage and compromise safety.
- If visible damage or malfunctions occur, immediately stop operation and contact qualified personnel.
- Repairs must only be performed by qualified personnel.
- Daily cleaning of the device is recommended to maintain hygienic standards.
- After use, the device must be cooled down to 0 °C and disconnected from the power supply.
- Dispose of packaging materials safely, as they can pose a suffocation hazard to children.
