SAFETY & WARNING INSTRUCTIONS

Order No. 172-4105

Item/Model SARO Crêpe maker
model PIERRE

GTIN 4017337036677

Safety and Warning Instructions

- Before installation, check that the technical data on the rating plate matches the power supply voltage.
- Installation and electrical connections should only be performed by qualified personnel.
- Place the device in a well-ventilated room, ensuring heat-resistant walls or maintaining a minimum distance of 3 cm.
- Before first use, clean the device thoroughly and run it for 30 minutes at maximum temperature without food.
- Clean only with a damp cloth and mild detergent; do not use abrasive materials.
- Do not operate the device with wet hands and protect it from weather conditions.
- Disconnect the device from the power supply after use or before cleaning.
- Immediately have damaged cables replaced by qualified personnel.
- Keep children away from the device to prevent improper use.
- Warning: Burn hazard from hot surfaces; do not touch during or after operation.
- In case of malfunction, stop operation and contact professional personnel.
- Dispose of packaging materials safely to avoid suffocation hazards.
