SAFETY & WARNING INSTRUCTIONS

Order No. **360-1230**

Item/Model **SARO Professional induction cooker
model JOHANN**

GTIN **4017337071999**

Safety and Warning Instructions

- Installation must only be carried out by qualified professionals.
- Safely dispose of packaging materials to avoid suffocation hazards.
- Clean the device thoroughly before first use and check for damage. Do not use if damaged.
- Ensure the device is placed on a stable, dry, and non-slip surface.
- During operation, surfaces may become very hot; risk of burns!
- Only use induction-compatible cookware.
- Never leave the device unattended, especially when using hot oil; avoid fat fires and never extinguish with water.
- Do not clean the device with a water jet or submerge it in water; clean only with mild cleaning agents and a soft cloth.
- Keep ventilation slots free of dust and dirt; clean with a vacuum cleaner if necessary.
- Disconnect the device from the power supply after each use and allow it to cool completely before cleaning.
- Keep children and unauthorized persons away from the device to prevent misuse and injuries.
- In case of visible damage or malfunction, immediately stop operation and contact qualified personnel.
