SAFETY & WARNING INSTRUCTIONS

Order No. 700-4325

Item/Model SARO Wall top shelves, 2000mm

GTIN 4017337047178

Safety and Warning Instructions

- The shelf attachment is intended exclusively for indoor use and should be placed on a stable, level, and non-slip surface.
- Ensure the load capacity of the shelf attachment is not exceeded during use to prevent deformation or damage.
- Children and unauthorized persons should not misuse the shelf attachment, hang on it, or stand on it.
- Carefully remove and promptly dispose of the product packaging to avoid injuries from sharp edges or small parts.
- Clean the shelf attachment only with a soft, damp cloth and mild cleaning agents to preserve the surface.
- Do not use sharp or pointed objects with pressure on the surface to avoid scratches or damage.
- The shelf attachment is intended exclusively for professional use in gastronomic or similar environments. Any other use may cause damage and void the warranty.
- Ensure the shelf attachment is adequately secured during transport to prevent damage to its structure or connections.
- Do not load the shelf attachment if visible damage or loose connections are present. Inspect the construction or consult qualified personnel if necessary.
