SAFETY & WARNING INSTRUCTIONS

Order No. 175-2200

Item/Model SARO Retro soup kettle
model retro red

GTIN 4017337057429

Safety and Warning Instructions

- Place the device exclusively on a stable, level, and heat-resistant surface.
- Connect the device only to a grounded outlet with the specified voltage (220-240 V).
- Keep children and unauthorized persons away from the device during operation.
- Do not touch the device, power cord, or power plug with wet hands.
- Before cleaning or maintenance, switch off the device, disconnect it from the power supply, and allow it to cool completely.
- Do not use aggressive cleaning agents, scrubbing pads, or high-pressure cleaners.
- Never immerse the device in water or other liquids.
- Regularly check the water level during operation and refill if necessary.
- Never leave the device unattended, especially when children are nearby.
- In case of visible damage or malfunctions, immediately stop operation.
- Repairs should only be carried out by qualified personnel using original spare parts.
