SAFETY & WARNING INSTRUCTIONS

Order No. **458-1820**

Item/Model **SARO Grease Separator 250 Liter
model FA250**

GTIN **4017337070848**

Safety and Warning Instructions

- Safely dispose of packaging materials to avoid suffocation hazards.
- Place the grease separator only on a level surface and use the adjustable feet to level the device.
- Connect the device to the water supply and drainage lines; ensure all ball valves are properly connected.
- Remove solid waste such as food scraps from wastewater before introducing it into the grease separator to avoid blockages.
- Keep children and unauthorized persons away from the device to prevent improper use.
- In case of visible damage, leaks, or malfunctions, stop operation immediately and contact qualified professionals.
- Only use original spare parts to ensure the proper functioning of the device.
