SAFETY & WARNING INSTRUCTIONS

Order No. 440-1015

Item/Model SARO Dishwasher
model NÜRNBERG

GTIN 4017337440047

Safety and Warning Instructions

- Place the device only on a stable, level, and non-slip surface.
- Ensure the mains voltage matches the specifications on the nameplate.
- Children and unauthorized persons must not operate or be unsupervised near the device.
- **During operation, the surfaces of the device may become hot – risk of burns.**
- Do not clean the device with a water jet or immerse it in liquids to prevent short circuits and electric shock.
- Always switch off, unplug, and allow the device to cool completely before cleaning, maintenance, or extended non-use.
- Water connections must be installed according to applicable safety regulations by qualified personnel.
- Immediately discontinue use if visible damage or malfunctions occur, and contact qualified personnel.
- The drainage hose must not be positioned above a specific height to ensure proper functionality.
- Use only detergents and rinse aids suitable for commercial dishwashers.
- Do not place sharp or pointed objects inside the device, as this may cause damage.
- Keep ventilation slots and heat dissipation openings clear at all times to prevent overheating.
- Dispose of packaging materials safely and keep them out of the reach of children to prevent choking hazards.
- Repairs must only be performed by qualified personnel.
- Keep the user manual near the device for easy access at all times.
