SAFETY & WARNING INSTRUCTIONS

Order No. 443-2125

Item/Model SARO Warming Plate
model KARIF

GTIN 4017337071791

Safety and Warning Instructions

- Place the device only on a stable, level, and non-slip surface.
- Ensure that the mains voltage corresponds to the information on the nameplate.
- Before first use, all packaging materials and protective films must be completely removed.
- Do not block the ventilation slots or heating elements to ensure optimal heat distribution.
- During operation, surfaces can become very hot; risk of burns! Avoid contact.
- Never clean the device with a water jet or high-pressure cleaner to avoid the risk of electric shock and short circuits.
- Clean only with a soft cloth and mild detergent; do not use abrasive or acidic cleaning agents.
- Regularly check the power cord for damage; if visible damage is found, do not use the device. Replacement must be carried out by qualified personnel.
- Children and unauthorized persons must not use the device unsupervised.
- After use, switch off the device, allow it to cool, and disconnect it from the power supply.
- Do not place metallic objects such as knives, forks, or aluminum foil on the plate.
- Use the device only for its intended purpose of keeping food warm; any other use may cause damage.
- Immediately stop operation if visible damage, unusual noises, or malfunctions occur, and contact qualified personnel.
