SAFETY & WARNING INSTRUCTIONS

Order No. 443-2020

Item/Model SARO Pasta Cooker 25 Liters
model RAGUSA

GTIN 4017337070442

Safety and Warning Instructions

- Place the device exclusively on a stable, level, and heat-resistant surface.
- Ensure that the mains voltage matches the specifications on the rating plate.
- Children and unauthorized persons must not operate the device or be left unattended near it.
- **During operation, the water and the device's surfaces can become very hot – risk of burns. Use appropriate protective gloves.**
- Never clean the device with a water jet or immerse it in liquids to avoid short circuits and electric shocks.
- Before cleaning, maintenance, or extended periods of non-use, switch off the device, disconnect it from the power supply, and allow it to cool completely.
- The water level in the tank must always remain between the MIN and MAX markings to avoid damage and accidents.
- If visible damage or malfunctions occur, stop operation immediately and contact qualified personnel.
- Repairs must only be carried out by qualified personnel using original spare parts.
- Use the device only for its intended purpose, such as cooking pasta or similar foods.
- Do not use aggressive chemicals, steel wool, or abrasive cleaning agents during cleaning to avoid damaging the device's surfaces.
- After use, completely drain the water to prevent deposits and corrosion.
- Dispose of packaging materials safely and keep them out of reach of children, as they pose a suffocation hazard.
- Ensure the device is completely emptied and secured during transport to prevent damage.
- Maintain a minimum distance of 10 cm from walls or flammable materials to avoid overheating or fire hazards.
- Ensure that the power plug is always accessible to quickly disconnect the device from the power supply in case of emergency.
