SAFETY & WARNING INSTRUCTIONS

Order No. **172-1065**

Item/Model **SARO Hot dog Cooker / Warmer modell CS-400**

GTIN **4017337172030**

Safety and Warning Instructions

- Place the device only on stable, level surfaces, away from gas or electric stoves.
- Connect the device only to a grounded 230-240 V socket. Do not use extension cords or adapters.
- Before each use, fill the stainless steel container with water. Never operate the device without water.
- Do not leave the device unattended during operation and keep children away.
- Do not touch the surfaces during and after use, as there is a risk of burns.
- Never operate or clean the device with wet hands.
- Clean the device only when it is turned off, unplugged, and completely cooled down.
- Do not use sharp or abrasive cleaners to avoid damaging the stainless steel surface.
- Protect the cable from damage and regularly check it. If damaged, immediately have it replaced by a professional.
- Do not operate the device outdoors or in damp environments to avoid damage.
- The device is intended solely for brewing and keeping sausages warm.
