SAFETY & WARNING INSTRUCTIONS

Order No. **600-2025**

Item/Model **SARO Stainless steel cabinet, sliding door - 600 mm depth, 2000mm**

GTIN **4017337049547**

Safety and Warning Instructions

- The cabinet must be placed on a stable, level, and non-slip surface.
- The adjustable feet allow the cabinet to adapt to uneven floors and should be properly set to ensure stability.
- The sliding doors are easy to operate but should be cleaned and inspected regularly to ensure smooth functioning.
- The height-adjustable shelf must be evenly loaded. Do not exceed the maximum load capacity per shelf to avoid damage.
- Clean the cabinet regularly with a damp cloth and mild cleaning agents. Avoid abrasive cleaners or scouring pads to protect the stainless steel surfaces.
- Do not use the cabinet in damp or wet environments to prevent corrosion and material damage.
- Avoid dropping sharp or heavy objects onto the cabinet to prevent dents or scratches.
- Dispose of packaging materials safely to prevent choking hazards for children.
- Regularly inspect hinges, sliding rails, and feet for functionality, especially under frequent use.
- The cabinet should not be used as a standing platform or seating to avoid structural damage.
