SAFETY & WARNING INSTRUCTIONS

Order No. **27-4190**

Item/Model **SARO Cutlery Polishing Machine
model SAS-5001**

GTIN **4017337070398**

Safety and Warning Instructions

- Place the device exclusively on a stable, level, and non-slip surface.
- Ensure that the mains voltage matches the specifications on the rating plate.
- Keep children and unauthorized persons away from the device during operation.
- Do not operate or move the device with wet hands.
- The machine is equipped with UV-C radiation for sterilization. Direct exposure to UV-C radiation can be harmful to skin and eyes—exercise caution when handling covers.
- If visible damage or malfunctions occur, immediately stop operation.
- Before cleaning, switch off the device, unplug it, and allow it to cool completely.
- Clean only with a soft, damp cloth and mild detergent; do not use abrasive cleaning agents.
- Never immerse the device in water or clean it with a water jet.
- Replace granules or UV-C lamps only in accordance with the manufacturer's instructions, following all safety guidelines.
- All maintenance and repair work must be carried out by qualified personnel.
- The device is designed exclusively for drying and polishing cutlery; other uses may cause damage and void the warranty.
