SAFETY & WARNING INSTRUCTIONS

Order No. 126-1705

Item/Model SARO Gas kebab / gyros grill
model TILLA 4

GTIN 4017337056835

Safety and Warning Instructions

- Use the device exclusively on stable, level stainless steel surfaces.
- Remove all protective films and packaging materials before first use.
- Regularly check gas connections for leaks.
- Never leave the device unattended during operation.
- Disconnect the device from the power supply and gas connection after each use.
- Do not store flammable or explosive substances near the device.
- Allow the device to cool completely before cleaning or maintenance.
- Never clean the electric motor and electrical components with water.
- Regularly empty the grease collection tray to prevent overflow and slip hazards.
- In case of a gas smell, immediately close the gas valves, ventilate the room, and notify professional personnel.
- Never move the device during operation.
- Maintain gas pressure values according to the specifications on the rating plate.
- If using LPG cylinders, maintain a minimum distance of 50 cm.
- The device should only be operated by trained personnel who have read the manual.
- Do not make any changes to the factory settings of the gas valve.
- Schedule regular maintenance by authorized technicians.
