SAFETY & WARNING INSTRUCTIONS

Order No. 190-1060

Item/Model SARO Infrared heater
model HELIOSA 9.1

GTIN 4017337059690

Safety and Warning Instructions

- Install the device exclusively on a stable, level, and heat-resistant surface.
- Ensure that the mains voltage (230 V) matches the technical specifications of the device.
- The device must not be installed beneath a power outlet.
- **During operation, the surfaces of the device can become very hot – risk of burns.**
- Do not touch the device with wet hands or use it in damp environments.
- Before cleaning or maintenance, switch off the device, disconnect it from the power supply, and allow it to cool completely.
- Clean only with a soft, damp cloth and mild cleaning agents; do not use abrasive materials.
- Do not make any modifications to the device or perform unauthorized repairs.
- If visible damage or malfunctions occur, stop operation immediately.
- Maintenance and repairs should only be carried out by qualified personnel.
- Ensure that children and unauthorized persons do not have access to the device.
