SAFETY & WARNING INSTRUCTIONS

Order No. **298-2010**

Item/Model **SARO Hair dryer
model JEREMY**

GTIN **4017337298198**

Safety and Warning Instructions

- The device must not be installed above a sink, near showers, or other water sources.
- The hair dryer is intended exclusively for indoor use.
- Children and unauthorized persons must not use the device improperly.
- Never operate the device with wet hands.
- If visible damage is found on the device or power cord, immediately stop operation and have the device repaired.
- Installation with a residual current device (RCD) is strongly recommended to minimize the risk of electric shock.
- The device must not come into contact with water or be splashed with water.
- Do not cover the air intakes and outlets during use.
- Damaged power cords must only be repaired or replaced by qualified personnel.
- The device is exclusively intended for hair drying; any other use may cause damage or void the warranty.
