SAFETY & WARNING INSTRUCTIONS

Order No. **317-2190**

Item/Model **SARO Coffee Machine
model S48T**

GTIN **4017337071708**

Safety and Warning Instructions

- Place the device only on a stable, level, and heat-resistant surface.
- Ensure the mains voltage matches the specifications on the nameplate.
- Keep children and unauthorized persons away from the device during operation.
- Do not operate or move the device with wet hands.
- There is a risk of scalding from hot steam and liquids during operation – exercise caution when handling lids, taps, and containers.
- Always ensure the water level reaches the minimum mark during operation to prevent dry running.
- Do not exceed the maximum fill mark to avoid overflow.
- Immediately discontinue use if visible damage or malfunctions occur.
- Do not place the device on a hot surface or operate it near open flames.
- Switch off, unplug, and allow the device to cool completely before cleaning.
- Clean with a soft, damp cloth and mild cleaning agents; avoid abrasive cleaners.
- Never immerse the device in water or clean it with a water jet.
- Descale the device regularly, depending on water hardness and usage, to ensure optimal functionality.
- Repairs must only be carried out by qualified personnel using original spare parts.
