## SAFETY & WARNING INSTRUCTIONS

Order No. 330-3515

Item/Model SARO Countertop Warming Cabinet  
model SELF 125W

GTIN 4017337068975

### Safety and Warning Instructions

- Place the device only on a stable, level, and non-slip surface.
- Ensure that the mains voltage corresponds to the information on the nameplate.
- Before first use, remove all packaging materials and protective films completely.
- Ensure that ventilation slots and heating elements are not blocked to allow optimal heat distribution.
- Do not place the device near flammable materials or in areas with strong air drafts.
- The device is intended exclusively for storing and displaying warm food in suitable containers.
- During operation, surfaces and interiors can become very hot; risk of burns! Avoid contact.
- Do not use or store electrical devices or foreign objects inside the device.
- Clean only with a soft cloth and mild detergent; do not use abrasive or acidic cleaning agents.
- Never clean the device with a water jet or high-pressure cleaner to avoid the risk of electric shock and short circuits.
- Do not use damaged cables or plugs. Replacement must be carried out by qualified personnel only.
- Always switch off the device and disconnect it from the power supply before cleaning, maintenance, or repair.
- Children and unauthorized persons must not use the device unsupervised.
- Immediately stop operation if visible damage, unusual noises, or malfunctions occur, and contact qualified personnel.
