SAFETY & WARNING INSTRUCTIONS

Order No. **455-1305**

Item/Model **SARO Convection combination oven
with humidification
model DIG 7**

GTIN **4017337045952**

Safety and Warning Instructions

- Installation must only be carried out by qualified professionals.
- Safely dispose of packaging materials to avoid suffocation hazards.
- Clean the device thoroughly before first use and check for visible damage. Do not use if damaged.
- Ensure the convection steam oven is installed on a stable, level, and fire-resistant surface.
- During operation, surfaces and steam may become very hot; risk of burns and scalds! Avoid contact.
- Use the device only for food preparation. Do not fill with other materials or liquids.
- Clean only with a soft cloth and mild cleaning agents; do not use abrasive or acidic products.
- Never clean the device with a water jet or pressure washer.
- Regularly clean the ventilation slots and water inlet to ensure optimal performance.
- Steam development may cause a slippery floor. Exercise caution when cleaning or using the device.
- Keep children and unauthorized persons away from the device to prevent misuse and injuries.
- In case of visible damage, malfunction, or unusual noises, immediately stop operation and contact qualified personnel.
- Regularly check safety features such as microswitches and seals for functionality and replace if necessary.
