SAFETY & WARNING INSTRUCTIONS

Order No. **126-1400**

Item/Model **SARO Heated banquet trolley
model BW-5**

GTIN **4017337044580**

Safety and Warning Instructions

- Before first use, remove all protective films and clean the device thoroughly.
- Place the device on a level, stable, and heat-resistant surface.
- Never position the device near flammable materials or heat sources.
- Maintain a safety distance of at least 20 cm on all sides.
- Use the device only with a grounded power connection and regularly check the power cable for damage.
- The device is not suitable for outdoor use or in rainy conditions.
- Do not use extension cords or adapters.
- During operation, surfaces may become hot – use protective measures such as gloves.
- Always disconnect the device from the power supply before cleaning or servicing.
- Use only for the intended purpose, such as keeping food warm.
- Repairs or maintenance should only be performed by qualified personnel.
- Ensure that children do not have access to the device.
- In case of fire, never use water, but rather suitable extinguishing agents. C14
