SAFETY & WARNING INSTRUCTIONS

Order No. 443-2070

Item/Model SARO Nacho Warmer
model BORA

GTIN 4017337070541

Safety and Warning Instructions

- Place the device exclusively on a stable, level, and heat-resistant surface.
- Ensure that the mains voltage matches the specifications on the rating plate.
- Children and unauthorized persons must not operate the device or be left unattended near it.
- **During operation, the device's surfaces, particularly the housing and interior, can become very hot – risk of burns.** Use appropriate protective gloves.
- Never clean the device with a water jet or immerse it in liquids to avoid short circuits and electric shocks.
- Before cleaning, maintenance, or extended periods of non-use, switch off the device, disconnect it from the power supply, and allow it to cool completely.
- Place the device in a well-ventilated area with a minimum distance of 10 cm from walls and other equipment to prevent overheating.
- Do not store flammable or explosive materials near the device.
- Repairs must only be carried out by qualified personnel using original spare parts.
- If visible damage or malfunctions occur, stop operation immediately and contact qualified personnel.
- The device is designed exclusively for keeping and displaying nachos warm. Any other use may cause damage and compromise safety.
- Clean the device daily after use to maintain hygienic conditions.
- Dispose of packaging materials safely and keep them out of reach of children, as they pose a suffocation hazard.
- Ensure that the power cord is undamaged and does not run over sharp edges or come into contact with hot surfaces.
- Keep the glass doors closed while the device is in operation to maintain a consistent temperature and avoid burns from escaping hot air.
- Avoid overloading the device (maximum 30 kg) to prevent damage to its structure or heating element.
- Ensure the power plug is always accessible to quickly disconnect the device from the power supply in case of emergency.
