### Safety and Warning Instructions

- Installation should only be carried out by qualified professional installers.
- Safely dispose of packaging materials to avoid choking hazards.
- Thoroughly clean the device before first use and check for visible damage. Do not use if damaged.
- Ensure that the device is placed on a stable, level, and heat-resistant surface.
- During operation, surfaces can become very hot; risk of burns! Avoid contact.
- Only use heat-resistant pots and pans suitable for electric stoves. The bottom of the pots must be flat and clean.
- During first use, a smell may occur due to the overheating of residues. Operate the device without food at the highest temperature until the smell disappears.
- Clean only with a soft cloth and mild detergent; do not use abrasive agents.
- Ventilation slots and openings must not be blocked to avoid overheating.
- After each use, allow the device to cool completely and disconnect from the power supply before cleaning.
- Keep children and unauthorized persons away from the device to prevent misuse and injury.
- In case of visible damage or malfunctions, immediately stop operation and contact professional personnel.
