## SAFETY & WARNING INSTRUCTIONS

Order No. 288-1005

Item/Model SARO Microwave with Grill Function  
model WD 900 U

GTIN 4017337071685

### Safety and Warning Instructions

- Operate the device exclusively on a stable, level, and heat-resistant surface.
- Ensure that the mains voltage matches the specifications on the rating plate.
- Keep children and unauthorized persons away from the device during operation.
- Do not operate or move the device with wet hands.
- **Never block the ventilation slots or remove the feet during operation—this can lead to overheating.**
- Always maintain a minimum distance of 10 cm from the back wall, 5 cm from the sides, and 15 cm above the device.
- Do not operate the microwave without food to avoid damage.
- Stir liquids and beverages before and during heating to prevent superheating and burns.
- Sealed containers, such as ready-made meals, must be opened or pierced before use to allow steam to escape.
- **Do not use metallic objects such as bowls with gold or silver trim or aluminum foil in the microwave—sparking and damage may occur.**
- If smoke appears, keep the microwave door closed, turn off the device, and unplug it.
- In case of visible damage or malfunctions, immediately stop operation.
- Before cleaning or maintenance, switch off the device, disconnect it from the power supply, and allow it to cool completely.
- Clean only with a soft, damp cloth and mild detergent; do not use chemical or aggressive substances.
- Repairs and maintenance should only be carried out by qualified personnel.
- People with pacemakers should consult a doctor before use to ensure the device does not cause interference.
- **When using the grill function, exercise caution as surfaces can become very hot—risk of burns.**
- Always remove lids and covers from containers to prevent pressure buildup and the containers from exploding.
