Safety and Warning Instructions

- The table must be installed on a stable, level, and non-slip surface to prevent tipping or sliding.
- Do not use abrasive cleaners or metal sponges when cleaning the sink table to protect the stainless steel surfaces.
- Regularly check and clean the water drain to prevent clogs and ensure proper functionality.
- Avoid placing heavy or sharp objects on the table that could damage the surface.
- Dispose of packaging materials safely to prevent choking hazards.
- The sliding doors are easy to operate but should be cleaned and inspected regularly to ensure smooth functionality.
- Regular inspections of welds and connections are required to ensure stability and safety.
- If visible damage is present, discontinue use of the sink table and contact qualified personnel for assistance.
