Safety and Warning Instructions

- Installation should only be carried out by qualified professional installers.
- Safely dispose of packaging materials to avoid choking hazards.
- Clean the range hood thoroughly before first use and check for visible damage. Do not use if damaged.
- Ensure that the hood is properly secured to the oven below and that all connections are correctly made.
- Maintain a minimum distance of 10 cm from surrounding walls and objects to prevent obstruction of air circulation.
- Clean only with a soft cloth and mild detergent; do not use abrasive, chlorine-based, or acidic cleaning agents.
- Ensure water connection pressure is between 1.5 and 2.5 bar; a water softener is recommended to prevent lime scale buildup.
- **Regularly clean or replace the ventilation filters to ensure the hood's functionality.**
- Contact customer service in case of error messages or malfunctions.
- Keep children and unauthorized persons away from the hood to avoid injury or misuse.
- Ensure electrical connections and grounding comply with applicable regulations to ensure safe operation.
- In case of visible damage or malfunctions, immediately stop operation and contact professional personnel.
