Safety and Warning Instructions

- Use all pans, roasters, pots, and woks exclusively on stable, heat-resistant surfaces designed for this purpose to prevent tipping and accidents.
- Handles and pan surfaces can become very hot when heated – there is a risk of burns.
- Before first use, clean the pans/roasters with a soft cloth and mild dishwashing detergent.
- Do not use sharp or pointed objects to avoid damaging the non-stick coating.
- Clean only with soft sponges or cloths and mild dishwashing detergent. Do not use abrasive cleaning agents or steel wool to prevent surface damage.
- Do not use the product if visible damage or deformation is present; replace the product to prevent injuries or further damage.
- Ensure that detachable handles are securely attached before using the product to avoid injuries.
- Dispose of packaging materials safely and keep them out of reach of children, as they pose a risk of suffocation.
