SAFETY & WARNING INSTRUCTIONS

Order No. 172-3083

Item/Model SARO Heating Lamp
model PLC 500

GTIN 4017337048274

Safety and Warning Instructions

- Connect the device only to a grounded socket with the correct voltage (230 V).
- Ensure that the power cable is free from damage and not exposed to temperatures higher than 50 °C.
- During operation, the warming lamp should not be placed near flammable materials or liquids.
- Do not use the device outdoors or in moist conditions to avoid short circuits.
- Keep children and unauthorized persons away from the device, as the surface may become hot.
- Never operate the device with wet hands.
- After use and before cleaning, turn off the device, unplug it, and allow it to cool completely.
- Clean with a damp cloth and mild detergent.
- Damaged components such as cables or lamps should only be replaced by qualified personnel.
- Do not use the device if there are visible damages and contact the dealer.
