SAFETY & WARNING INSTRUCTIONS

Order No. 443-1100

Item/Model SARO Waffle iron
model ATRIA

GTIN 4017337048755

Safety and Warning Instructions

- Place the device exclusively on a stable, level, and heat-resistant surface.
- Ensure that the mains voltage matches the specifications on the rating plate.
- Children and unauthorized persons must not operate the device or be left unattended near it.
- **During operation, the device's surfaces, particularly the baking plates and lid handle, can become very hot – risk of burns.** Use appropriate protective gloves.
- Never clean the device with a water jet or immerse it in liquids to avoid short circuits and electric shocks.
- Before cleaning, maintenance, or extended periods of non-use, switch off the device, disconnect it from the power supply, and allow it to cool completely.
- Maintain a minimum distance of 10 cm from flammable materials and other devices during operation to prevent fire hazards.
- **Avoid contact with steam released during baking – risk of scalding to skin and eyes.**
- Use only original parts and accessories designed for this model.
- Repairs must only be carried out by qualified personnel using original spare parts.
- If visible damage is present on the device or power cord, stop operation immediately and contact qualified personnel.
- The device is intended exclusively for making waffles. Any other use may cause damage and compromise safety.
- Dispose of packaging materials safely and keep them out of reach of children, as they pose a suffocation hazard.
- Ensure the power cord does not run over sharp edges or come into contact with hot surfaces.
- Do not overfill the baking plates with batter to prevent overflow and mess.
- Ensure the power plug is always easily accessible to quickly disconnect the device from the power supply in case of emergency.
- Keep ventilation openings clear to avoid overheating of the device.
