SAFETY & WARNING INSTRUCTIONS

Order No. 126-1800

Item/Model SARO Electric kebab / gyros grill
model ED3

GTIN 4017337056842

Safety and Warning Instructions

- Remove all protective films and packaging materials from the device before first use.
- Operate only on a stable, level stainless steel surface. Plastic or wooden surfaces are unsuitable.
- Maintain at least 20 cm of space from the wall and other objects.
- Do not store flammable or explosive substances near the device.
- When making gas or electrical connections, follow the specifications on the rating plate.
- Never immerse the device in water or clean it with water. Keep electrical parts dry.
- During operation, ensure that no liquids or food scraps come into contact with the ceramic glass.
- In the event of a power failure, turn off the device, wait 5 minutes, and restart.
- Before cleaning or maintenance, turn off the device, allow it to cool, and disconnect from the power supply.
- Clean only with mild detergent and a soft cloth; do not use aggressive chemicals or metal sponges.
- Immediately remove any spilled fat to avoid slip hazards.
- Do not move the device during operation.
- Ensure regular maintenance and inspection by qualified personnel.
- Do not use the device if visible damage is present and contact a dealer.
- Only remove or adjust the skewer when the device is switched off and cooled down.
- Never operate the device without the ceramic glass, as there is a risk of electric shock.
- Turn off the device, disconnect from the power supply, and clean it after each use.
